## Receivers

[Instrument Point People](#)

### AIS Receivers

This includes Digital Yacht and Micro Shine AIS receivers to track marine vessels.

### VEMCO Receivers on Juan de Fuca Moorings

Each of the three Juan de Fuca Moorings (Boundary Pass, Jordan River, and Port Renfrew) have a Vemco Single Channel Receiver. These instruments are owned by the Ocean Tracking Network.

### VEMCO Receivers at Cambridge Bay

There are plans to install a Vemco receiver at Cambridge Bay in Summer 2013.
